

How to travel to Swinburne University Hawthorn campus

- > By ditching your car for a train, tram or bus you are helping to make Australia a little more greenhouse friendly.
- > myki is your ticket to travel on Melbourne's trains, trams and buses, V/Line commuter train services and buses in Seymour, Ballarat, Bendigo, Geelong, the Latrobe Valley and Warragul. It is a durable, plastic smartcard which stores value and can be used over and over again.
- > If you are a local, full-time student you are eligible to apply for a concession card. You can't buy a concession myki without a public transport student concession card. It only costs \$9 for a card and that will get you travel savings for an entire year. Pick up a form at your student union or any Premium Station and save the extra cash. And remember, you can't use your uni student card to buy a concession myki.
- > You can buy and top up a myki at:
 - close to 800 retailers where you see the myki sign, including all 7-Eleven stores
 - the customer service centre or ticket window at Premium Stations
 - myki machines (full fare myki only) at all metropolitan train stations and some accessible tram stops and bus interchanges
 - online at ptv.vic.gov.au
 - by calling **1800 800 007** (6am – midnight daily).
